2018-19 HES Preschool Schedule

Wednesdays & Thursdays   10:00 - 12:15

Preschool teacher: Miss Karrie McDaniel
Special Education: Mrs. Ann Regan
Head Teacher: Mrs. Cindy Wilkins

The main focus in early childhood is for children to begin to value learning, gain knowledge, and understand their world.   Beginning in early childhood, children should:

1. Demonstrate a positive learning attitude: ● Display a sense of curiosity. ● Practice personal responsibility for learning. ● Demonstrate persistence in completing tasks. ● Apply prior knowledge and processes to construct new knowledge. ● Voluntarily use a variety of resources to investigate topics of interest.	2. Develop social skills and ethical responsibility: ● Respect similarities and differences in others. ● Treat others with kindness and fairness. ● Follow rules. ● Include others in learning and play activities. ● Function positively as a member of a family, learning group, school, and community. ● Initiate and respond to social interactions with peers and adults.
3. Demonstrate responsible emotional behaviors: ● Recognize own values, talents, and skills. ● Express self in positive ways. ● Demonstrate behavior appropriate to the situation. ● Express feelings appropriately. ● Meet and respect nee5. Understand and use basi concepts and skills:	4. Develop physical skills and personal hygiene: ● Learn proper care of the body for health and fitness. ● Develop knowledge that enhances participation in physical activities and healthy food choices. ● Display persistence in learning motor skills and developing fitness. ● Use physical activity for self-expression.
5. Understand and use basic concepts and skills: ● Develop phonological and phonemic awareness. ● Develop expressive and receptive vocabulary. ● Develop reasoning and sequencing skills. ● Demonstrate problem-solving skills. ● Observe, sort, and classify objects. ● Make connections from content areas to application in real life.
