

HES Community Council Minutes
February 9, 2023

Meeting called to order at 2:45

Welcome Kaycee Pace

Attendees Kaycee Pace, Chylene Whipple, Cheralyn Thatcher and Wendy Potter Zoom

Approval of the minutes from 11-10-22 Chylene made a motion to approve and Cheralyn Second.

Wendy discussed the budget for this year and suggested that we get it spent. A few different things that we talked about purchasing are Math Activities like Duck Duck Goose or Moose Math. Also some supplies such as paper and incentive items.

We discussed using the term growth on next years plan instead of giving a % amount. We all agreed that would be better due to the small enrollment.

A report on the activities that took place since we last met. The students really enjoyed the dance party and they did a great job for the Christmas Program. Also they had a nice day at LES at the Author Assembly.

Action plan

2022-2023 Plan review

2023-2024 Plan Approval

3rd Term Incentive

We would like Andrea to look for Software for all grades at HES that would be beneficial. Also we would like to get those purchased and uploaded to I pads ASAP.

Adjourned meeting at 3:05
