HES Newsletter 2023

Learning happens in school, at home and everywhere in between. As we are working on so many things at school and at home, may we not forget to take time off of our devices and spend some time spending time together as family and friends. So let us remember that the memories we make today will last a lifetime.

Dates to Remember

Feb. 9th Community Council Mtg 2:45

Feb. 14th Valentine's Day

Class Activity at 1:00

Feb. 16th Parent/Teacher conferences

Min. Day Release at 12:00

Feb. 20th Presidents Day No School

As we pass the 100th day of school, it is good to remember our focus here at Hanksville Elementary School.

Goal 1: (High -Quality Educational Team) We will implement our plan and have 90% of our teaching staff with an aligned goal implemented with fidelity.

Goal 2: (Academic Achievement) We will improve proficient scores on the RISE and Acadience assessments by 3%.

Goal 3: (Intentional Culture) We will implement a tier 1 Positive Behavior System and score 70% on a tiered fidelity inventory by year end. This refers to our BUFFALO STRONG (Smart-Teachable-Respectful-Outstanding-Nice-Grateful).

Our future is bright! Our students are mindful and work everyday to achieve their goals. Our staff is supportive and student focused. Our parents, families and community members are helpful and loyal. We make a great team!

- "Keep your face always toward the sunshine, and shadows will fall behind you."
