Fall is here and the weather is changing. September was a great month with our wonderful students. Our 3rd grade students were able to attend a day at Gooseberry. They were able to learn and participate in some fun outdoor activities. We are thankful for the opportunity that they had to attend.

Our PTA has been planning and working hard to come up with fundraising activities for our students. If you would like to donate please contact Shyann, Terralyn, or Holly. We are looking forward to seeing what activities they have for us this year. We are grateful for their hard work and dedication to our students.
