- speaking clearly enough for strangers to understand
- grasping a crayon between thumb and fingers
- copying a circle
- stacking four blocks
- following three part commands
- recalling parts of a story
- cooperating with other children
- dressing and undressing
- throwing a ball overhand

## Does your 4-year-old struggle with

- giving first and last name
  - stacking 6-8 blocks
  - drawing a person with a body
  - swinging and climbing
  - telling a longer story
  - correctly naming at least 4 colors
  - copying a triangle
  - playing with other children
  - speaking in sentences of more than five words
  - differentiating between fantasy and reality
  - engaging in a variety of activities
  - understanding prepositions
- 

If you have noticed your child struggling with any of these things and would like your child screened or would like more information about preschool please contact:

**Megan Hiskey**

**(435)-558-5920**

**megan.hiskey@waynesd.org**

If you have contacted me in regards to your child attending preschool please know that:

***If your child turns 4 before September 1st, they will be put on the preschool list automatically, unless you let me know otherwise.*** If your child is 3 they will need to go through the screening process.

**\*No tuition will be required to attend.**
