Second Grade

Second grade has been busy learning how to regroup while adding 2 digit numbers. We have learned many strategies such as mental math, partial sums, compensation, drawing tens & ones, and traditional methods.

We are focusing on our school wide Falcon Pride. We are learning to have more Patience, Respect, and Integrity throughout the month of December.

Principal's Message

May this holiday season be full of good times and good memories for all of you. Remember that this is a season of giving. "The most truly generous persons are those who give silently without hope of praise or reward." - Carol Ryrie Brink
