Principal's Message

Dear families:

We are working on completing our state testing this month. Thanks for keeping your kids in school and making sure that they are rested and supported. We also have many activities planned.

May is a busy month with lots of learning in the classroom as well as out of the classroom.

As this school year draws to a close I would like to take this time to thank all of our parents for the support and partnership during this unforgettable school year.

To our amazing FALCONS of Loa Elementary School... Thank you for all your hard work throughout the school year. I am so honored to be your principal. I would like to wish you all the very best summer vacation possible, and I look forward to welcoming you all back, refreshed, for what will be an exciting, new academic year. Until next school year, here's wishing you love, laughter and learning!

With Falcon Pride,

~ Mrs. Potter~
