

Loa Elementary School

How did my child's school become a Title I school?

Based on the percent of low-income children in the school, which is identified by the free/reduced-price lunch application

Loa and Hanksville Elementary schools are "School-Wide" Schools

- At least 40% poverty
- School wide mission and goals are established
- All students, regardless of income, are served with Title I funds.

Annual Title I Information for Parents

What are the purposes of Title I?

- Help students achieve proficiency on state academic standards—especially in reading/language arts and math.
- Help teachers improve by providing quality professional development.
- Strengthen parents' abilities to help their children succeed by providing quality parent involvement activities.

What is Title I?

A federal allocation of funds for schools classified as low income to assist students to demonstrate proficiency related on the state's academic standards.

Title 1 is a funding source, not a program.

How are Title I funds used in Wayne District?

- Personnel
- Preschool
- Intervention programs

Improving student achievement

- Title I schools must implement research-based instructional strategies and programs - Teachers and paraeducators must be highly qualified

– Paraeducators must work under the direct supervision of a highly qualified teacher

- Targeted interventions are given to students who need additional instructional help

- Each school must review its progress annually

- Information related to school wide performance on state assessments can be found at schools.utah.gov. Families will be provided with their child's information during parent teacher conferences

Parent Involvement

Parent “Right to Know” requirement

Qualifications of your child's teacher

- -Degree and major
- -Licenses and certifications

School seeks parent input:

- into the planning and implementation of parent involvement activities
- into the development of School Plan
- into the development of School-Parent Compact and Parent Policy

-Parent access to assessment and evaluation data

-Description of the curricula and interventions used in the school

-District Parent Involvement Policy

-Parents may ask for meetings to make suggestions about the education of their children
