

# Preschool Screening

Does your 3-year-old struggle with

- jumping in place
- standing on one foot
- speaking in sentences of five to six words
- speaking clearly enough for strangers to understand
- grasping a crayon between thumb and fingers
- copying a circle
- stacking 4 blocks
- following three-part commands
- recalling parts of a story
- cooperating with other children
- dressing and undressing
- throwing a ball overhand

Does your 4-year-old struggle with

- giving first and last name
- stacking 6-8 blocks
- drawing a person with a body
- swinging and climbing
- telling a longer story
- correctly naming at least four colors
- speaking in sentences of more than five words
- copying a triangle
- playing with other children
- differentiating between fantasy and reality
- engaging in a variety of activities
- understanding prepositions (on, under, over)

If you've noticed your child struggling with any of these things and would like your child screened or would like more information about preschool contact Jan Brown.

If you have contacted me in regards to your child attending preschool please know that: **IF YOUR CHILD TURNS 4 BEFORE SEPTEMBER 1ST, THEY WILL BE PUT ON THE PRESCHOOL LIST AUTOMATICALLY, UNLESS YOU LET ME KNOW OTHERWISE.**

If your child is 3, they will need to go through the screening process. If you have any questions, please contact me.
